 - Uniform layout and styling across Peer Consumer, Peer Producer, and Partner profiles.
 - Use expandable sections for detailed inputs (e.g., yacht features, certifications).
2. **Usability:**
 - Auto-save feature for long forms.
 - Tooltips for fields requiring additional explanation.
 - Inline validation for required fields.
3. **Visual Appeal:**
 - Use high-resolution images and videos to showcase yachts, services, and products.
 - Display loyalty points and tier prominently in Peer Consumer profiles.

This document provides a comprehensive structure for implementing and managing profiles in the Etoile Yachts mobile application, ensuring a seamless and engaging user experience for all roles.
